The Connecticut Conference of Municipalities (CCM) is Connecticut's statewide association of towns and cities and the voice of local government - your partners in governing Connecticut. Our members represent 168 towns and cities.

HB 5166, An Act Concerning Certain Municipal Agreements to Fix Assessments.

CCM is unclear why such proposal is necessary and wishes to flag for further review and understanding.

In our reading of the legislation and the current statutes, it is unclear why this bill is necessary and what problem it is seeking to fix. It seems as though what it is trying to do already exists within the statute. We look forward to better understanding the bills intent and reserve the right to decide what our position will be at a later date.
